

Rainforest Body Couture Treatment

Cleanse

1. Dispense two to three pumps of Rainforest Soak in water. Submerge and soak skin for five minutes to thoroughly cleanse and begin softening the skin, remove from water and towel dry.
2. Or use as an all over body wash in the shower/bathtub.

Scrub

3. Place one large scoop of Rainforest Scrub into your hands. Using both hands evenly rub the product over the areas you wish to exfoliate.
4. Gently massage for two to three minutes concentrating on any callused or extra dry skin.
5. Submerge and remove Scrub completely.

Masque

6. Place a large scoop of Rainforest Masque into your hands. Using both hands evenly smooth product over skin.
7. Allow to moisturize for five minutes.
8. Submerge to remove the Masque completely.

Lotion

9. Pump a generous amount of Rainforest Lotion into your hands. Massage into skin for three to five minutes.
